Circular Economy – TOMRA is the go-to partner

Joint forces
Bridge the quality gap

Henkel “One major challenge towards more circular packaging is the availability of high-quality recycled plastics that can be used in the packaging of our brands.”

Dr. Thorsten Leopold, Director International Packaging Technology
Home Care Henkel

New food grade material
Recycled polystyrene (rPS)

Styrenics Circular Solutions, which TOMRA is part of has filed the first application for EU authorization of mechanically recycled polystyrene as food contact material.

Innovation in applications
Textile sorting

TOMRA and Stadler delivered the first automated plant for textile sorting as part of the Swedish Innovation Platform for Textile Sorting, a government-funded project.

Circular solutions
Counting and sorting center

TOMRA and Viridor have formed a partnership in a bid to design, build and operate counting and sorting centers for the Scottish deposit return scheme.
